

Job title	Production Coordinator		
Job family	Production Management	Proposed band	B

Job purpose
The Production Coordinator provides logistical and coordination support to the production team on one or more productions and/or a portfolio of content.

Key responsibilities and accountabilities
<ul style="list-style-type: none"> • Contributes to the scheduling and smooth running of the production/content in line with divisional requirements and relevant BBC frameworks, guidelines and policies. • • Responsible for supporting the Production Manager (or equivalent) in identifying and sourcing appropriate resource and location requirements for the production at the earliest possible stage. • Ensures compliance with BBC policies, guidelines, legislative and regulatory requirements, in order to minimise the BBC’s exposure to risk. Escalates unresolved issues promptly. • Ensures that any rights issues are and recorded, escalating any issues at the earliest stage. • Accountable for resolving any operational and financial issues commensurate with the role. • Ensures effective and efficient management of resources. • Applies specialist skills to productions, eg live gallery skills and script supervision, where appropriate. • Monitors spend against budget, contributes to budget management and budget setting processes. • Adhere to the processes for fully and accurately capturing and managing metadata in line with BBC guidelines and policies, and ensuring Archives have the necessary information to manage media assets. • Maintains a safe and healthy working environment at all times, escalating any issues or areas of concern. • Proactively looks for ways of improving efficiencies within a production environment, promotes diversity and champions the rationale for new ways of working and/or for adopting new production related technologies. • Supports other internal departments with the implementation of their strategies (e.g. HR, Workplace, Procurement, Finance, etc) • Responsible for liaising and supporting the Production Manager and Asset Management teams about asset requirements and joiner, mover and leaver activities both in the office and on location. • Providing administrative support to the production teams, as and when required, depending on team structures. • Contributing to, and helping to implement, practical actions to reduce environmental impact

throughout production

Knowledge, skills, training and experience

Essential

- Demonstrates interest in the BBC and the wider industry.
- Demonstrable experience of carrying out a coordinating role within a production team.
- Experience of delivering a range of/elements of productions on time and on budget and coordinating deliverables for productions.
- Good working knowledge of end-to-end multi-platform production with a level of technical awareness.
- Where required, has the ability to use specialist skills for certain types of output (e.g. live gallery skills, script supervision).
- Able to use and advise on production systems and can adopt new technologies.
- Interpersonal and communication skills sufficient to establish and maintain effective relations with a wide range of contacts.
- Demonstrates strong organisational and planning skills and manages conflicting demands to meet deadlines.
- Ability to use own initiative with confidence, using judgment to escalate where necessary.
- Able to consider and propose new ways of working to improve existing processes
- Experience of influencing and motivating others to achieve results.
- Essential business and finance skills - able to prepare, manage and/or monitor specific production resource plans and budgets.

Job impact

Decision making

- Post holders at this level have delegated decision-making authority (from the Production Manager or equivalent) regarding the smooth day-to-day running of their production, working within BBC guidelines and frameworks.

Scope

- Post holders at this level report to a Production Manager (or equivalent) and are responsible for the coordination of a production.
- They are expected to build and maintain a wide range of internal contacts from across the BBC.
- Typical external relationships will be with resource providers, contributors, artists and their agents, freelancers and public officials (e.g. local authorities).
